### Story

**K:** Today's story is about two sisters, Elsa and Anna.

Once upon a time, there was a princess named Elsa. She had magical powers and turned everything she touched into ice. She even turned her sister Anna into ice by accident.

**ELSA:** I cannot control my powers. I will stay in my room forever to protect my kingdom.

Anna missed her sister.

**ANNA:** Come play, Elsa.

**ELSA:** No.

**ANNA:** Come play, Elsa.

**ELSA:** No!

**ANNA:** Come play, Elsa.

**ELSA:** No!

One day she came out to dance at the royal ball. There, Anna fell in love with a prince named Hans.

Elsa got so jealous that she turned the kingdom into ice.

**ELSA:** I cannot control my emotions. I'm going to live alone up in the mountains. Anna went looking for her.

**ANNA:** Elsa, come home, I miss you.

**ELSA:** I am bad, Anna, I cannot go with you. Leave me alone!

With her magic, Elsa turned Anna's heart into ice by accident.

Anna went home. She was dying and only true love could save her.

But Prince Hans was evil and didn't love Anna at all.

**ELSA:** Oh, my poor sister, I must help her. I will go back home.

Elsa saw Anna turning into ice and felt very sad. She kissed her sister goodbye.

**ELSA:** I'm so sorry, Anna. I love you.

Suddenly, the magic was broken!

**ANNA:** Elsa, you saved me and the kingdom, too! Thank you!

And so they lived happily ever after.
