

30. ART

Welcome song

K: Welcome to our fun learning radio broadcast with Kiki and Mr. Suits! This program was created in collaboration with Azyzah Educational and Interactive Theatre.

S: Nice to meet you friends!

K: Our question today is from Melanie, who is 11 years old from Sherbrooke, Canada.

S: Hi, Kiki and Mr. Suits, could you tell us about art?

K: Yes! Ready to learn about art?

S: Let's go!

Theme

S: Kiki, don't move!

K: Why? What's going on, Mr. Suits?

S: I want to draw a picture of your face. . Tada! What do you think?

K: Wow, beautiful! It really looks like me. But why is my hair yellow and blue? Did your red pencil break?

S: No, I just think these colors show how playful you are.

K: You know what? You're right. . My turn! I want to do your portrait too! But I can't really draw or paint.

S: That's ok, Kiki. There are many ways to make art. Here, try sculpting!

K: Woohoo! Yes! Here's some clay. Pose for me, Mr. Suits! Tada! Well?

S: Awesome, Kiki! I love my statue. It even has a little top hat. Thank you! . Whoa, you're covered in clay.

K: Oh no! I accidentally made a handprint on the wall.

S: Hm, I like it. Give me some clay. Two handprints!

K: Boom, three handprints!

S+K: Boom, boom, boom! Four, five, sixō one hundred! Hahaha!

S: That was fun. And we have new wall decoration.

K: I think it really expresses who we are. Who knew we were such artists?

S: Well, we write our own shows and perform them together, so we are artists. - Kiki, let's play some music.

K: Yes. Maybe we could write a song!

S: Friends, do you like making art? Send us your artwork and we will share it on our website.

Story

S: Woohoo! It's story timeō

K: Today's story is about an enchanted paintbrush.
Once upon a time in China, a poor girl really wanted to be an artist.

(S) GIRL: My only wish is to have at least a paintbrush.

K: Suddenly, a magical spirit appeared.

(K) SPIRIT: Your wish is honest. Here is a paintbrush! Use it wisely.

K: The girl was confused but happy. She tried to draw a rooster but as she finished, the rooster came to life and flew out of the picture!

(S) GIRL: This is truly a magical brush. I will use it to help people.

K: And so she did. She drew a field of rice for her village and a cane to help an old woman walk. . A rich and greedy man saw this.

(K) MAN: Girl! Draw me a mountain of gold or I will kill you!

K: The girl was clever...

(S) GIRL: I will draw the mountain on an island in the sea.

(K) MAN: You cannot trick me! Draw me a boat now.

K: As soon as the man rowed far enough into the sea, the girl started drawing again.

(S) GIRL: Cloudsō lightningō and waves.

K: A wild thunderstorm broke out on the sea. The greedy man's boat sank and he was never heard from again.

(S) GIRL: The power of this brush is too dangerous. No one should have it.

K: She drew an ordinary brush for herself and then broke the enchanted paintbrush in half.

THE END
